

Bristol Village SIGHT & SOUND 2026

Teams are responsible for all events occurring during their weeks.

Those seeking S&S assistance should fill out and return the Program Set-Up Request form found on the door of the S&S Booth no less than one week in advance of an event. If there are questions or special a/v requirements, contact the appropriate **Team Leader** by phone and/or e-mail.

In addition to the standard ***Set Up Request Form*** found on the door, we have added two additional information sheets: ***A Power Point Presentation Issues*** sheet to be given to presenters when computer presentations are to be part of a program; and a ***Bristol Village Sight & Sound Information for Presenters*** sheet which visually shows them our main hall and summarizes equipment that is available.

Please provide set up request forms ***at least one week*** before a program. The earlier you are in touch with the Team Leader, the better job we can do in producing and airing your program. ***Do not hesitate to contact us during program planning.***
